

SEPTEMBER 5TH R&R

Well, the weather held out for the many people who went to the Colmslie Beach Reserve last Thursday. We all enjoyed the river views, fellowship, sharing stories on how the area was 50 years ago and welcoming Elaine, Janice, Penny and Mark with their grandchildren.

Now for our **September** adventure.

Our day out starts with a **10am morning tea at The Coffee Club, North Quay, Brisbane**. (We met there last year when we visited The Commissariat Store Museum). It's on the left-hand corner of North Quay and the Mall (opposite the Casino) as you cross the bridge from South Brisbane.

When we have fuelled-up, we will continue down The Mall to the very elegant **Brisbane Arcade** (on the left side) where they are having their annual Spring Flower exhibition. I have it on good authority that it is well worth the visit. So, if you are not planning to drive to the Toowoomba Carnival of Flowers this year, this might be your "flower fix" until next year.

When we have had our fill of beauty, we will then walk back to North Quay to catch the City Cat (there is a lift down to the terminal), take the ferry up the river a few stops and alight right outside the **Regatta Hotel, Coronation Drive**, where we are booked in for lunch at approximately **12pm**. If you have not been there before, it is so beautiful from the outside (well I think so anyway), has lots of photos and history on the walls inside telling visitors about the family owners, why it is called The Regatta and how it has been affected by nature (particularly the river) over it's lifetime.

The menu is very well priced and should suit all dietary needs.
